To Locate at Harrisonburg.

The Plano Mfg. of Chicago, manufacturers of the celebrated Plano harvesters, has decided to make Harrisonburg a distributing point for Virginia. S. E. Berry Esq. will have charge of the station, and in speaking of the decision of the company to locate at Harrisonburg, he said that he found better facilities for shipping at that point than at any other city in the state, outside of Richmond, and that he believed the extension of the C. & W. into Highland and West Va. would be a great advantage to the place.

Health-Giving Apples.

The apple is such common fruit that few are familiar with its remarkable efficacious properties. All persons ought to know that the very best thing they can do is to eat apples just before retiring for the night. The apple is an excellent brain food, because it has more phosphoric acid in easily digested shape than any other vegetable known. It excites the action of the liver, promotes sound and healthy sleep and thoroughly disinfects the mouth. That is not all. The apple agglutinates the surplus acids of the stomach, helps the kidney secretions and is one of the best preventatives known of diseases of the throat.—Philadelphia Inquirer.

The Companion's Seventy-Sixth Volume.

In 1902—the seventy-sixth year of its publication—The Youth's Companion promises more varied attractions for its readers than ever before, and The Companion always gives more than it promises. The government of the United States will be represented in contributions from Secretary of the Treasury, Postmaster-General Smith, and Assistant Secretary of War Sanger—a list, it is believed, never equalled in a previous year. The government of Great Britain will be represented by contributions from the Duke of Argyll, the Marquis of Dufferin and Ava and the Rt. Hon. James Bryce, T. P. O'Connor and Winston S. Churchill, members of the House of Commons. Other noteworthy contributors will be Wu Ting-fang, Chinese minister at Washington, Booker T. Washington, president of Tuskegee Institute, Justice Brewer of the United States Supreme Court, Gen. Charles King and Rear-Admiral Highborn, while more than two hundred of the most popular of living story-writers will contribute from four to six fascinating stories to each of the fifty-two issues of The Companion for 1902.

To all new subscribers for 1902 and to those renewing their subscriptions The Companion will send its beautiful 1902 Calendar, lithographed in twelve colors and gold. By sending \$1.75 before January 1st, the new subscriber will receive free all the remaining issues of 1901 from the time the subscription is received. The Youth's Companion, 105 Columbus Avenue, Boston, Mass.

West Va. Central Engineers at Harrisonburg.

Capt. Latrobe, consulting engineer, of the West Va. Central, has opened offices at Harrisonburg and has a clerical force at work making maps, profiles and writing up notes of their recent surveys in that section of the state.

The Harrisonburg Evening News says their quarters are in close proximity to the C. W. offices, and that this fact might seem a little significant, but officials of both companies say there is no connection whatever between them.

The West Va. Central people are operating in Virginia under the charter of the Central Railway of Va. and have been for the past year. Capt. Latrobe says, looking for a pass through the Shenandoah and Alleghany mountains, and that the result of their work would be known in 30 days. Capt. Latrobe says that a road will be built, but by whom he does not pretend to say.

To B—n.
Good-Bye! we part
The world crowds in between us,
The noisy world,
With all its strife and pain;
Our paths diverge;
There's work for each to grapple.
Long months must pass
Before we meet again.

I wish for you
The best that life can offer;
By this I do not mean
All ease and joy,
God brings the grandest nature
To perfection,
Through sorrow's fires,
Which burn out alloy.
May the good Lord
Keep faithful love forever
Through all our future days,
Till we meet again.
God keep your heart
As generous and noble
As ever.
Your heart to be.

Westminster Declines

The congregation of Westminster Presbyterian church at a meeting held last evening decided by a unanimous vote that they would not agree to release their pastor, Rev. Dr. R. H. Fleming, for a period of one year, as requested by the Synod of Virginia. At the meeting of the Synod held a short while ago in this city, a committee of three ministers, including Dr. Fleming, were appointed to canvass the Synod in the interest of the educational fund, and acting under the direction of the Synod, Dr. James P. Smith, of Richmond came to Lynchburg on last Sunday and presented the matter to the congregation of Westminster, asking and urging them to release Dr. Fleming temporarily in order that he might enter upon the work of canvassing. The congregation, however, after carefully discussing the matter, decided that they could not in the interest of the church and its organization, afford to part with their pastor even for a short time, and by a unanimous vote they expressed their determination to keep him here. Few congregations appreciate their pastors more thoroughly than Westminster appreciates Dr. Fleming, and it takes only such occasion as this for a demonstration of the affectionate esteem in which he is held. Dr. Fleming, it is stated, will abide by the decision of his congregation, and consequently the Synod committee on Educational Fund, will be called on to appoint another minister to take his place.

LYNCHBURG NEWS, Nov. 14th.

The Deposition of P. R. Nugent.

We are in receipt of a card from Mr. P. R. Nugent, dated at Valley Center, Nov. 18, requesting that we supplement our mention of a recent date, of his deposition from the Episcopal ministry, with the fact that such action was taken at his own request and not as a disciplinary measure.

The article, in a Richmond paper, from which we gathered our information, we believe, did not mention this fact in so many words, but it did say that it was entirely on the question of doctrine spoken of that the deposition was made, and not that any thing could be said against the character of Mr. Nugent.

The article also spoke of him as doing a good work in Richmond as a street preacher.

Lucy Crawford's Den to be Broken up.

The two persons held for the murderous assault on A. J. Kiser, on the night of last court in Staunton, had their examining trial in the police court, on the 14th, and because of insufficient evidence were turned loose.

The police justice issued an order to the police to clear the Lucy Crawford den within three days.

We are glad to see Rev. B. F. Ball P. E., with us again.

We learn that Mrs. George Maury who has been at Johns Hopkins Hospital in Baltimore for a week or more will be able to leave in a short time.

We expect a large crowd present, and every body will find a cordial welcome.

DO YOU GET UP

WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent bottle of Swamp-Root, regular sizes are sold by all good druggists.

Moved Camp to Monterey.

Mr. J. M. H. Erving of the C. W. R. R. has again pitched his tents in Monterey. Even a corps of engineers in town, moving about in the business way that is characteristic of this one, gives the old place more of a hustling appearance, and what will it be when they commence throwing dirt?

The following persons compose Mr. Erving's party: Messrs. Beal, Logan, Jiles, and Morgan Armstrong, Doe Hill, Harry Martz, C. A. Vigar, W. H. McFall, J. W. Webb, Ed. Daggy, W. M. Daggy of Rockingham, Frank and Jos. Crummett, Palo Alto.

BUILDING LOTS

FOR SALE AT

Bolar Springs, Bath Co., Va.

Many parties have desired to buy building lots at this celebrated and popular summer resort and have uniformly been denied a lot at any price or have been asked a price unreasonably high. We have therefore decided to lay out into quarter acre lots, a tract of 19 acres and will sell these lots at reasonable prices on easy terms.

This property lies within about 500 yards of the celebrated Bolar Springs and about 20 miles North-east of Hot and Warm Springs in Bath Co., Va., and are the only lots that are now and probably will be on sale for years to come at any thing like a reasonable price, and from present indications are sure to increase rapidly in value.

These lots are desirable to parties who may wish to erect a hotel, boarding house, Livery Stable, or Store, and especially to parties who would like to build a summer cottage, and spend a few weeks each summer at this delightful place, taking their meals at a boarding house or boarding themselves.

Parties desiring to purchase lots can have further and full information by calling on or writing to D. N. Bussard and J. H. Burns, Bolar, Bath Co. Va., who have been authorized to sell and transfer any of this property.

Very Respectfully,
MRS. LILLIE R. BLACKWELL,
Staunton, Va.
